Experience

APR '20 - AUG '23

Carpenter Foreman | Carvalho Construction, foxboro, MA

Deck Construction:

- Led and executed deck construction projects, ensuring precision and compliance with design specifications and safety regulations.
- Proficiently handled various materials and tools required for decking, guaranteeing optimal structural integrity and aesthetics.
- Coordinated project timelines, resources, and teams, resulting in timely completion of deck installations to meet client expectations.

Trimming Expertise:

- Demonstrated exceptional skills in precision trimming, enhancing the appearance and functionality of interior spaces.
- Installed and customized trims for doors, windows, and other architectural elements, achieving a seamless and polished finish.
- Collaborated closely with designers and clients to implement unique trim designs that aligned with the overall aesthetic vision of the project.

Carpenter's Foreman:

- Held a pivotal role as the carpenter's foreman, overseeing a team and managing day-to-day operations on construction sites.
- Directed and guided carpentry crews in executing projects, ensuring adherence to safety guidelines, quality standards, and project schedules.
- Conducted training sessions to enhance the team's skills and knowledge, fostering a culture of continuous improvement and efficiency

JAN '19 - FEB '20

Windows Installer | Renewal by Andersen, Massachusetts, MA

- Assisted Installers in the removal and Installation of Windows, doors, and SGDs.
- Supported the Installation team by preparing work areas, organizing tools and materials, and ensuring a clean and safe working environment.
- Consistently entrusted with the responsibility of performing detailed trimming tasks using the shop saw.
- Assisted in the assembly and installation of Window Frames, hardware and waterproofing

- Collaborated with team members to complete projects within designated time
